### Lunch & Learn Sessions

The Asphalt Pavement Association of Michigan (APAM) sessions can help answer a broad array of your asphalt related questions, such as:

- ◆ What are the economic benefits of using asphalt pavements?
- ◆ Should you consider a Perpetual Pavement design for your next project?
- ◆ How do asphalt pavements fit into the “sustainability” movement?
- ◆ How can I specify Porous Asphalt?
- ◆ What is HMA Ultra-Thin, and when should it be used?
- ◆ When should you rubbilize an old concrete pavement?
- ◆ How can you keep traffic moving during a project?
- ◆ How can you save money by using recycled asphalt pavement (RAP) in my mixes?
- ◆ And more . . . . .

APAM offers Lunch & Learn sessions to provide the latest information and applications for HMA, tailoring presentations to meet your needs. If you want a sessions exclusively on a particular topic, we can do that. If you would prefer a variety of topics, we can do that as well. Sessions typically last an hour, depending on the presentation requested. Sessions can be scheduled any time of the day that is convenient for you and your colleagues.

At a time when budgets are tight, you want to deliver a quality product to the traveling public in the most cost-effective way. The Lunch & Learn program will give you the tools you need to deliver a quality project.

What is the cost you ask? It’s FREE!  
You provide the audience and APAM will provide the lunch. Sounds to good to be true, try us out!

*To schedule your session contact:*
