APAM 2020 YEAR IN REVIEW

Presented by: APAM Executive Director, Brett Stanton, P.E.

Join us for a recap of the changes that have taken place at the Association in 2020.

MDOT GENERAL UPDATE

Presented by: MDOT Chief Operating Officer, Tony Kratofil, P.E.

Tony will provide the audience with a summary of the Department's plan for 2021. Additionally, an update of the traditional transportation program funding as well as the Rebuilding Michigan bond program will be given.

MDOT TECHNICAL UPDATE

Presented by: MDOT Pavement Operations Engineer, Kevin Kennedy, P.E.

This session will provide a detailed summary of the upcoming MDOT specification changes related to asphalt pavements along with the timeframes for changes. Kevin will also highlight some of program initiatives that the Pavement area is considering.

INTRODUCTION TO BALANCED MIX DESIGN

Presented by: NCAT Director, Randy West, Ph.D, P.E.

The Balanced Mix Design (BMD) methodology is taking off nationally. Get an introduction into this method, hear lessons learned and find out where things are headed with this new design philosophy.

INDUSTRY EH&S: LOOKING THROUGH THE WINDSHIELD

Presented by: NAPA VP for Environment, Health & Safety, Howard Marks, Ph.D., J.D., MPH

COVID-19 dominated the safety conversation in 2020. Now it's time to refocus on the topics that were relevant prior to COVID as well as learn about the changes that will come with the incoming Biden administration.
