

ASPHALT EDUCATIONAL SESSIONS

The Asphalt Pavement Association of Michigan (APAM) educational sessions can help answer a broad array of your asphalt related questions.

APAM offers educational sessions to provide the latest information and applications for asphalt pavements and tailoring presentations to meet your needs. Topics can be covered in detail or just introduced depending on your audience. Sessions typically last an hour and **can be done virtually or in-person**, anytime throughout the day based on you and your colleague's preferences.

SESSIONS INCLUDE:

- What is new with MDOT mixture specifications?
- How do I select the right mix for my project?
- How can I stretch my project budget by recycling?
- What are the economic benefits of using asphalt pavements?
- Should you consider a Perpetual Pavement design for your next project?
- What is HMA Ultra-Thin, and when should it be used?
- When should you rubblize an old concrete pavement?
- How can I specify Porous Asphalt?
- How do asphalt pavements fit into the "sustainability" movement?
- And more!

WHAT IS THE COST?

It's **FREE** and Professional Development Hours (PDH's) are available! Click below to schedule or contact Chuck Mills at APAM for more details!

P: 517.323.7800 • F: 517.323.6505 | 2937 Atrium Drive • Suite 202 • Okemos, MI 48864 | www.apa-mi.org
