Instructors

Mike Huner, PE

Asphalt Technology Consultant

Mike has over 20 years' experience in many aspects of the asphalt industry, ranging from Research & Testing to Technical Services. He holds both a bachelor's and a master's degree in Civil Engineering from Auburn University and is a registered professional engineer in the states of Alabama and Tennessee.

Dan Staebell, Northcentral Regional Director
Asphalt Pavement Alliance

Dan has 35 years+ of asphalt paving knowledge working in all facets ranging from estimating, project management, construction, liquid binder technologies, and marketing. Dan works with APA partners; NAPA, AI, and the Regional State Asphalt Paving Associations.

Area Instructors/Professionals

In addition, we will have national and regional experts who will address different facets of parking lot guidance. Experts will have Geotechnical and construction expertise.
